## **Registration Deadline = Sunday, December 16th**

December 2, 2007

Dear Parents,

As in previous years, we will be holding an end-of-the-year retreat for our middle school and high school age children (grades 7-12). This year, we will be having a local one day retreat for middle school, most likely at Demott Avenue (TBD), on **December 27<sup>th</sup>** and a separate multi-day retreat for high school at **YMCA Camp Bernie** from the evening of **December 28<sup>th</sup>** to the morning of **December 31<sup>th</sup>**. There will also be an optional ski trip for both middle and high school groups during the day in between both retreats on **December 28<sup>th</sup>**.

We will be providing bus transportation to the ski resort and back (for those signing up for the day trip) and a bus for those going on to the camp from the ski area. We do not plan on having transportation for those who are not going skiing and want to go straight to the camp (those who do not go skiing should either come on the bus and stay at the resort, or will need to arrange separate rides to the camp). If you wish to provide your own transportation, please indicate so on the registration form. This year, the high school program will be open primarily to the NJ and NY/Westchester communities, while other communities are welcome to join on first come first served basis.
